SECRETARY TO GOVERNMENT
FOOD DEPARTMENT

SIR,

Subject:-

Appointment of staff to the Deputy Commissioner's Office, Bangalore District in connection with pulses and Jaggery control.

I have the honour to state that the Deputy Commissioner, Bangalore District reports that the work of the Food Supplies Inspector attached to his office is at present very heavy and that the assistance of one Special Sheristedar on Rs.80/- plus Rs.20/- ConveyanceAllowance and one Senior Clerk on Rs.60/- p.m. is absolutely necessary in connection with the work relating to the pulses and Jaggery Control and requests sanction for the appointment of the said staff till the end of June. 1947.

2. The work relating to pulses is very responsible as it involves transactions of lakhs of rupees with wholesale merchants, careful calculation and the regular maintenance of accounts and the staff suggested by the Deputy Commissioner is quite reasonable.

3. In the circumstances, I request that sanction of Government may be kindly obtained to the appointment of one Special Sheristedar on Rs.80/- plus Rs.20/- Conveyance Allowance and one Senior Clerk on Rs.60/- p.m. till the end of June.1947.

4. A copy of letter No.F9.32/46 dated 9/12/1946 from the Deputy Commissioner, Bangalore District in the matter is enclosed for the information of Government.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Food Supplies.

BSG.2

Copy of letter No.F9/32/46 dated 9th December 1946 from the Deputy Commissioner, Bangalore District, to the Director of Food Supplies in Mysore, Bangalore.

I have the honour to state that against the sanctioned posts of 40 Special Revenue Inspectors only 28 had been appointed as intimated in this office letter No.Est.167/44-45 dated 13/6/1945. Subsequently as it was felt that this number was not necessary the number was reduced to 20 and sanction was however solicited in this office letter No.F9/32/46-47 dated 30/9/1946 for entertaining 25 Special Revenue Inspectors so that in time of emergency appointments could be made without referringto Government for sanction at each time.

2. At present the Food Supplies Inspector is attending to taking delivery of foodgrains from goodshed and Assistant Director of Food Supplies, weighing of bags, transport of foodgrains from District Reserve Depot to taluks. Everyday, nearly 3,000 bags are being moved out of Bangalore and the transport work has increased. Besides, the work of receiving and distribution of pulses has also become unwieldy for the Food Supplies Inspector to cope with. There are still 5 quotas to come involving a sum of nearly 10 to 15 lakhs of rupees. The work connected with pulses is briefly mentioned below.

1. Watching the arrival of pulses and grain wagons from various centres and giving delivery of the same to several quota holders.

2. Sending intimations to quota holders to take delivery of the commodities.

3. Collection of railway freight and crediting the same to the treasury.

4. Preparation of bills for commodities delivered to the quota holders and collection of amounts involved in the transaction.

5. Maintenance of accounts, cash book connected with the pulses.

6. Preparation of financial and administrative statements.

7. Verification of pulses stocks with the quota holders.

8. Checking the accounts of the quota holders.

The above items of work has to be supervised and attended to with utmost care and promptness since several lakhs of rupees will be concerned in the several transactions. The Food Supplies Inspector will be very busy in receiving the foodgrains and their movement to taluks and he is at present attending to pulses work also working overtime. Towards Sindh quota nearly one lakh of rupees have yet to be collected and today nearly 22 wagon loads of pulses have arrived which takes away all the time of the Food Supplies Inspector. As this involves very heavy work and financial responsibility he cannot devote proper attention to both the items of work. I feel that he should be given relief in the interest of Government money and efficient discharge of work. This important work cannot be entrusted to a Special Revenue Inspector. I, therefore, propose that a Special Sheristedar on Rs.80/- plus Rs.20/- is very necessary solely for this work and request you to kindly recommend to Government for the entertainment of a Special Sheristedar till the end of June 1947. He will attend to the supervision of the work relating to pulses and the present Food Inspector will attend to the work relating to foodgrains other than pulses. The twenty Special Revenue Inspectors who are working in the Transport Section now will be suitably divided between the two. I may also state that

the staff sanctioned for the food section of the office under the basic scale is insufficient to cope up with the increased volume of work consequent on the introduction of the pulses scheme and Jaggery control. It has become impossible for the present staff to get through the work efficiently. The correspondence and accounts pertaining to pulses and the correspondence and issue of licenses etc under the Jaggery Control Order has made the work of the section very heavy. I therefore request you to kindly obtain early sanction of Government for an additional Clerk on Rs.60/- so that an experienced official might be drafted for this work, till the end of June 1948 in the first instance.

I am making these proposals after careful consideration and in view of the fact that there has been savings since the full strength of the Special Revenue Inspectors has not been appointed and also of the fact that the profit the Government would get in the pulses transaction would roughly come to Rs.50,000/-

I solicit early orders in the matter.

Date 8/2/47

Sir,

Appointment of staff for control of pulses and Jaggery- Bangalore District office.

With reference to your letter No.C1-4243/46-7 dated 30-1-47, enquiring whether it is still necessary to urge for sanction of Government of the additional staff of one special Sheristedar and one senior clerk in view of the recommend tion made for the continuance of of the Rural Rationing staff etc., I have the honour to reply in the affirmative and to state as follows:-

2. The continuance of the Rural Rationing clerk attached to this office and also of the taluk offices was recommended in consideration of the fact that Rural Rationing was still in force and the services of a whole-time clerk to attend to correspondence relating to closure of few sales Depots wherever necessary and inspection of depots and compiling statistics etc. was considered necessary. At the meeting of the Deputy Commissioners' held on -- 7-1-47, it was resolved that this staff may be continued till the end of June 1947. There is enough work for this clerk and no extra work can be tacked on to him.

3. The additional staff of a special Sheristedar and a senior clerk asked for is intended solely for attending to pulses work. The necessity for this staff both executive and ministerial has been fully set forth in my letter of even no., dated 9-12-46. The services of a Special Sheristedar is necessary mainly ~~due~~ to attend to the several items of work enumerated in para 2 of my letter referred to supra. As the present Food supplies Inspector is heavily worked it is proposed to entrust the work relating to pulses to the Special Sheristedar and the work relating to foodgrains to the Inspecter so that both these items of work may be discharged efficiently. A whole-time clerk in the office is also

quite necessary for attending to the correspondence relating to distribution of allotment of pulses among the wholesalers, issue of coupons to retailers, maintenance of proper accounts, submission of financial statements, verifying the accounts namely whether collections of cost from merchants is according to the rates given by Director of Food Supplie , crediting the cheque to Bank and submission of accounts in this behalf to Director of Food Supplies and Auditor and Accounting Officer, claims for shortages in transit etc., besides attending to movement of jag ery within the District and issue of import permits etc. This important work involving several lakhs of rupees cannot be handled by a part-time clerk efficiently and systematically and hence the recommendation for a wholetime senior clerk.

4. In these circumstances, I request that very early sanction of Government may kindly be obtained for the additional staff of a Special Sheristedar and a Senior clerk already recommended in addition to the Rural Rationing ~~Work~~ staff also recommended for continuance.

Subject: Appointment of staff for control of Pulses and Jaggery Bangalore District Office.

---

1) With reference to correspondence resting with your letter No.SD. 6111/A 194-46-4 dt. 23-1-47 on the above subject, I have the honour to forward herewith a copy of letter No. FG-32/46 dt. 6-2-47 from the Deputy Commissioner, Bangalore District, explaining the need for the appointment of one Special Sheristedar and one Senior Clerk proposed in his letter No.F.G.32/46-47 dt. 17-1-47, in addition to the staff recommended in this office letter No.B1-C-5779/46-47 dt. 11-1-47.

2) In the circumstances stated by the Deputy Commissioner, I request that sanction of Government may be kindly obtained early to the appointment of one Spl. Sheristedar on Rs.80/- plus Rs.20/- C.A. P.M. and one Senior Clerk on Rs.60/- P.M. for attending to the pulses and jaggery control work in the Bangalore District, till the end of June 1947 as proposed in this office letter of even No. dt. 7-1-47.

I have the honour to be
Sir,
Your most obedient servant,

DIRECTOR OF FOOD SUPPLIES

Copy of letter No.FG 32/46 dt. 6-2-47 from the Deputy Commissioer, Bangalore District; To The Director of Food Supplies in Mysore, Bangalore.

Appointment of staff for control of pulses and jaggery Bangalore District office.

With reference to your letter No.C1-4243/46-7 dt. 30-1-47 enquiring whether it is still necessary to urge for sanction of Government of the additional staff of one Special Sheristedar and one senior clerk in view of the recommendation made for the continuance of the Rural Rationing staff etc., I have the honour to reply in the affirmative and to state as followes:-

2. The continuance of the Rural Rationing clerk attached to this office and also of the taluk offices was recommended in consideration of the fact that Rural Rationing was still in force and the services of a wholetime clerk to attend to correspondence relating to closure of few sales Depots wherever necessary and inspection of depots and compiling statistics etc. was considered necessary. At the meeting of the Deputy Commissioners' held on - 7-1-47, it was resolved that this staff may be continued till the end of June 1947. There is enough work for this clerk and no extra work can be tackled on to him.

3. The additional staff of a Special Sheristedar and a senior clerk asked for is intended solely for attending to pulses work. The necessity for this staff both executive and ministerial has been fully set forth in my letter of even No. dt. 9-12-46. The services of a Special Sheristedar is necessary mainly to attend to the several items of work enumerated in para 2 of my letter referred to supra. As the present Food Supplies Inspector is heavily worked it is proposed to entrust the work relating to pulses to the Special Sheristedar and the work relatin to foodgrains to the Inspector so that both these items of work may be discharged efficiently. A wholetime clerk in the office is also quite necessary for attending to the correspondence relating to distribution of allotment of pulses among the wholesalers. issue of coupons to retailers, maintenance of proper accounts submission of Financial Statements, verifying the accounts namely, whether collections of cost from merchants is according to the rates given by Director of Food Supplies, crediting the Cheques to Bank and Submission of accounts in this behalf to Director of Food Supplies and Auditorand Accounting Officer, claims for shortages in transit etc., besides attending to movement of jaggery within the District and issue of import permits etc. This important work involving several lakhs of rupees cannot be handled by a part-time clerk efficiently and systematically and hence the recommendation for a wholetime senior clerk.

4. In these circumstances, I request that very early sanction of Government may kindly be obtained for the additional staff of a specizl Sheristedar and a Senior Clerk already recommended in addition to the Rural Rationing Staff also recommended for continuance.
